| DATA SHEET                       |  SI4703-B17-GM.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 20-QFN (3x3)                                                                                          |
| SERIES                           | -                                                                                                     |
| SENSITIVITY                      | -                                                                                                     |
| PACKAGING                        | Tray                                                                                                  |
| PACKAGE / CASE                   | 20-UFQFN Exposed Pad                                                                                  |
| OPERATING TEMPERATURE            | -20°C ~ 85°C                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                         |
| MODULATION OR PROTOCOL           | FM                                                                                                    |
| MEMORY SIZE                      | -                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| FREQUENCY                        | 76MHz ~ 108MHz                                                                                        |
| FEATURES                         | -                                                                                                     |
| DETAILED DESCRIPTION             | - RF Receiver FM 76MHz ~ 108MHz PCB, Surface Mount 20-QFN (3x3)                                       |
| DATA RATE (MAX)                  | -                                                                                                     |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                    |
| CURRENT - RECEIVING              | -                                                                                                     |
| APPLICATIONS                     | General Purpose                                                                                       |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                    |
