PDB-C502-SMA

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | PDB-C502-SMA                                                                                                         |
| Manufacturer/Brand: | Advanced Photonix (Luna Optoelectronics)                                                                             |
| Product description | PHOTODIODE BLUE FIBER OPTIC SMA                                                                                      |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Stock Condition     | 3817 pcs stock                                                                                                       |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of PDB-C502-SMA

|                                  |                                          |
|----------------------------------|------------------------------------------|
| PART NUMBER                      | PDB-C502-SMA                             |
| MANUFACTURER                     | Advanced Photonix (Luna Optoelectronics) |
| DESCRIPTION                      | PHOTODIODE BLUE FIBER OPTIC SMA          |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant       |
| QUANTITY AVAILABLE               | 3817 pcs                                 |
| DATA SHEET                       |                                          |
| WAVELENGTH                       | 950nm                                    |
| VOLTAGE - DC REVERSE (VR) (MAX)  | 100V                                     |
| VIEWING ANGLE                    | -                                        |
| SPECTRAL RANGE                   | 350nm ~ 1100nm                           |
| SERIES                           | -                                        |
| RESPONSIVITY @ NM                | -                                        |
| RESPONSE TIME                    | 3ns                                      |
| PACKAGING                        | -                                        |
| PACKAGE / CASE                   | -                                        |
| OTHER NAMES                      | PT-PDB-C502-SMA                          |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                            |
| MOUNTING TYPE                    | -                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                            |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant       |
| DIODE TYPE                       | PIN                                      |
| DETAILED DESCRIPTION             | Photodiode 950nm 3ns                     |
| CURRENT - DARK (TYP)             | 45pA                                     |
| COLOR - ENHANCED                 | Blue                                     |
| ACTIVE AREA                      | 0.87mm²                                  |
