

Panasonic

TX2-4.5V

Part Number:

TX2-4.5V

Manufacturer/Brand:

Panasonic

Product description

RELAY TELECOM DPDT 2A 220V

Datasheets:

 TX2-4.5V.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

25636 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

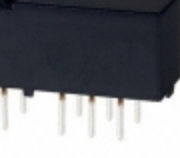

REQUEST FOR QUOTATION

| Specifications of TX2-4.5V       |                                                                                                  |

| DATA SHEET                       |  TX2-4.5V.pdf |
| TURN ON VOLTAGE (MAX)            | 3.38 VDC                                                                                         |
| TURN OFF VOLTAGE (MIN)           | 0.45 VDC                                                                                         |
| TERMINATION STYLE                | PC Pin                                                                                           |
| SWITCHING VOLTAGE                | 220VDC - Max                                                                                     |
| SERIES                           | TX                                                                                               |
| RELEASE TIME                     | 4ms                                                                                              |
| RELAY TYPE                       | Telecom                                                                                          |
| PACKAGING                        | Tube                                                                                             |
| OTHER NAMES                      | 255-1781<br>255-1781-5<br>255-1781-ND<br>TX245V                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                     |
| OPERATE TIME                     | 4ms                                                                                              |
| MOUNTING TYPE                    | Through Hole                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                       |
| FEATURES                         | Sealed - Fully                                                                                   |
| DETAILED DESCRIPTION             | Telecom Relay DPDT (2 Form C) Through Hole                                                       |
| CONTACT RATING (CURRENT)         | 2A                                                                                               |
| CONTACT MATERIAL                 | Silver (Ag), Gold (Au)                                                                           |
| CONTACT FORM                     | DPDT (2 Form C)                                                                                  |
| COIL VOLTAGE                     | 4.5VDC                                                                                           |
| COIL TYPE                        | Non Latching                                                                                     |
| COIL RESISTANCE                  | 145 Ohms                                                                                         |
| COIL POWER                       | 140 mW                                                                                           |
| COIL CURRENT                     | 31.0mA                                                                                           |
