| DESCRIPTION                      | IC SRAM 16M PARALLEL 48VFBGA                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| QUANTITY AVAILABLE               | 4169 pcs                                                                                                                    |
| DATA SHEET                       |  <a href="#">CY7C1061GE-10BVJXIT.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 10ns                                                                                                                        |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                                               |
| TECHNOLOGY                       | SRAM - Asynchronous                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 48-VFBGA (6x8)                                                                                                              |
| SERIES                           | -                                                                                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                                                                            |
| PACKAGE / CASE                   | 48-VFBGA                                                                                                                    |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                               |
| MEMORY TYPE                      | Volatile                                                                                                                    |
| MEMORY SIZE                      | 16Mb (1M x 16)                                                                                                              |
| MEMORY INTERFACE                 | Parallel                                                                                                                    |
| MEMORY FORMAT                    | SRAM                                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                  |
| DETAILED DESCRIPTION             | SRAM - Asynchronous Memory IC 16Mb (1M x 16) Parallel 10ns 48-VFBGA (6x8)                                                   |
| ACCESS TIME                      | 10ns                                                                                                                        |
