MSP432P411VIPZ

|                     |                       |
|---------------------|-----------------------|
| Part Number:        | MSP432P411VIPZ        |
| Manufacturer/Brand: | N/A                   |
| Product description | MSP432P411VIPZ        |
| Datasheets:         |                       |
| Stock Condition     | 11297 pcs stock       |
| Ship From           | Hong Kong             |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS |

| DESCRIPTION                    | MSP432P411VIPZ                                                                  |
| LEAD FREE STATUS / ROHS STATUS |                                                                                 |
| QUANTITY AVAILABLE             | 11297 pcs                                                                       |
| DATA SHEET                     |                                                                                 |
| VOLTAGE - SUPPLY (VCC/VDD)     | 1.62 V ~ 3.7 V                                                                  |
| SPEED                          | 48MHz                                                                           |
| SERIES                         | MSP432™                                                                         |
| RAM SIZE                       | 128K x 8                                                                        |
| PROGRAM MEMORY TYPE            | FLASH                                                                           |
| PROGRAM MEMORY SIZE            | 512KB (512K x 8)                                                                |
| PERIPHERALS                    | DMA, LCD, POR, PWM, WDT                                                         |
| OSCILLATOR TYPE                | Internal                                                                        |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TA)                                                               |
| NUMBER OF I/O                  | 84                                                                              |
| EEPROM SIZE                    | -                                                                               |
| DETAILED DESCRIPTION           | ARM® Cortex®-M4F MSP432™ Microcontroller IC 32-Bit 48MHz 512KB (512K x 8) FLASH |
| DATA CONVERTERS                | A/D 26x16b                                                                      |
| CORE SIZE                      | 32-Bit                                                                          |
| CORE PROCESSOR                 | ARM® Cortex®-M4F                                                                |
| CONNECTIVITY                   | I²C, IrDA, SPI, UART/USART                                                      |
