

SII Semiconductor Corporation

S-8232NOFT-T2-G

Part Number:

S-8232NOFT-T2-G

Manufacturer/Brand:

SII Semiconductor Corporation

Product description

IC BATT PROTECTION

Datasheets:

 S-8232NOFT-T2-G.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

154526 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

Specifications of S-8232NOFT-T2-G

|                                  |                                                                                                                         |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | S-8232NOFT-T2-G                                                                                                         |
| MANUFACTURER                     | SII Semiconductor Corporation                                                                                           |
| DESCRIPTION                      | IC BATT PROTECTION                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 154526 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">S-8232NOFT-T2-G.pdf</a> |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                                                                                                 |
| SERIES                           | -                                                                                                                       |
| PACKAGING                        | Tape & Reel (TR)                                                                                                        |
| PACKAGE / CASE                   | 8-TSSOP (0.173", 4.40mm Width)                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                       |
| NUMBER OF CELLS                  | 2                                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| INTERFACE                        | -                                                                                                                       |
| FUNCTION                         | Battery Protection                                                                                                      |
| FAULT PROTECTION                 | Over Current                                                                                                            |
| DETAILED DESCRIPTION             | Battery Battery Protection IC Lithium Ion/Polymer 8-TSSOP                                                               |
| BATTERY CHEMISTRY                | Lithium Ion/Polymer                                                                                                     |
