| QUANTITY AVAILABLE               | 6217 pcs                                                                         |
| DATA SHEET                       |                                                                                  |
| VOLTAGE - SUPPLY                 | -                                                                                |
| TERMINATION STYLE                | Cable with Connector                                                             |
| SHIELDING                        | Shielded                                                                         |
| SERIES                           | ZS                                                                               |
| SENSOR TYPE                      | Inductive                                                                        |
| SENSING DISTANCE                 | 0.197" ~ 0.394" (5mm ~ 10mm)                                                     |
| RESPONSE FREQUENCY               | -                                                                                |
| PACKAGE / CASE                   | Cylinder, Threaded - M12                                                         |
| OUTPUT TYPE                      | -                                                                                |
| OPERATING TEMPERATURE            | -35°C ~ 63°C                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| MATERIAL - BODY                  | Stainless Steel                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| INGRESS PROTECTION               | -                                                                                |
| INDICATOR                        | No Indicator                                                                     |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.197" ~ 0.394" (5mm ~ 10mm) Cylinder, Threaded - M12 |
