

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number:MM74HCT573SJX

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC LATCH OCTAL D 3STATE 20-SOP

Datasheets: MM74HCT573SJX.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:3174 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MM74HCT573SJX

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MM74HCT573SJX                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC LATCH OCTAL D 3STATE 20-SOP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE               | 3174 pcs                                                                                              |
| DATA SHEET                       |  MM74HCT573SJX.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 20-SOP                                                                                                |
| SERIES                           | 74HCT                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 20-SOIC (0.209", 5.30mm Width)                                                                        |
| OUTPUT TYPE                      | Tri-State                                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LOGIC TYPE                       | D-Type Transparent Latch                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| INDEPENDENT CIRCUITS             | 1                                                                                                     |
| DETAILED DESCRIPTION             | D-Type Transparent Latch 1 Channel 8:8 IC Tri-State 20-SOP                                            |
| DELAY TIME - PROPAGATION         | 17ns                                                                                                  |
| CURRENT - OUTPUT HIGH, LOW       | 7.2mA, 7.2mA                                                                                          |
| CIRCUIT                          | 8:8                                                                                                   |
| BASE PART NUMBER                 | 74HCT573                                                                                              |
