

MT53D256M16D1NY-046 XT ES:B TR

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | MT53D256M16D1NY-046 XT ES:B TR |
| Manufacturer/Brand: | Micron Technology              |
| Product description | IC DRAM 16G 2133MHZ FBGA       |
| Datasheets:         |                                |
| Stock Condition     | 5113 pcs stock                 |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of MT53D256M16D1NY-046 XT ES:B TR

|                                |                                                                  |
|--------------------------------|------------------------------------------------------------------|
| PART NUMBER                    | MT53D256M16D1NY-046 XT ES:B TR                                   |
| MANUFACTURER                   | Micron Technology                                                |
| DESCRIPTION                    | IC DRAM 16G 2133MHZ FBGA                                         |
| LEAD FREE STATUS / ROHS STATUS |                                                                  |
| QUANTITY AVAILABLE             | 5113 pcs                                                         |
| DATA SHEET                     |                                                                  |
| WRITE CYCLE TIME - WORD, PAGE  | -                                                                |
| VOLTAGE - SUPPLY               | 1.1V                                                             |
| TECHNOLOGY                     | SDRAM - Mobile LPDDR4                                            |
| SERIES                         | -                                                                |
| PACKAGING                      | Tape & Reel (TR)                                                 |
| OTHER NAMES                    | MT53D256M16D1NY-046 XT ES:B TR-ND<br>MT53D256M16D1NY-046XTES:BTR |
| OPERATING TEMPERATURE          | -30°C ~ 105°C (TC)                                               |
| MEMORY TYPE                    | Volatile                                                         |
| MEMORY SIZE                    | 16Gb (256M x 64)                                                 |
| MEMORY INTERFACE               | -                                                                |
| MEMORY FORMAT                  | DRAM                                                             |
| LEAD FREE STATUS               | Lead free                                                        |
| DETAILED DESCRIPTION           | SDRAM - Mobile LPDDR4 Memory IC 16Gb (256M x 64) 2133MHz         |
| CLOCK FREQUENCY                | 2133MHz                                                          |
