### Specifications of SST39VF401C-70-4C-MAQE

|                                  |                                                                                                                                |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | SST39VF401C-70-4C-MAQE                                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                                                  |
| DESCRIPTION                      | IC FLASH 4M PARALLEL 48WFBGA                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                     |
| QUANTITY AVAILABLE               | 124094 pcs                                                                                                                     |
| DATA SHEET                       |  <a href="#">SST39VF401C-70-4C-MAQE.pdf</a> |
| WRITE CYCLE TIME - WORD, PAGE    | 10μs                                                                                                                           |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                                                  |
| TECHNOLOGY                       | FLASH                                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 48-WFBGA (6x4)                                                                                                                 |
| SERIES                           | SST39 MPF™                                                                                                                     |
| PACKAGING                        | Tray                                                                                                                           |
| PACKAGE / CASE                   | 48-WFBGA                                                                                                                       |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                                                |
| MOUNTING TYPE                    | Surface Mount                                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                                  |
| MEMORY TYPE                      | Non-Volatile                                                                                                                   |
| MEMORY SIZE                      | 4Mb (256K x 16)                                                                                                                |
| MEMORY INTERFACE                 | Parallel                                                                                                                       |
| MEMORY FORMAT                    | FLASH                                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                     |
| DETAILED DESCRIPTION             | FLASH Memory IC 4Mb (256K x 16) Parallel 70ns 48-WFBGA (6x4)                                                                   |
