Specifications of SN74LVC828ANSRG4

|                                  |                                                                     |
|----------------------------------|---------------------------------------------------------------------|
| PART NUMBER                      | SN74LVC828ANSRG4                                                    |
| MANUFACTURER                     | N/A                                                                 |
| DESCRIPTION                      | IC BUFFER INVERT 3.6V 24SO                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                          |
| QUANTITY AVAILABLE               | 6781 pcs                                                            |
| DATA SHEET                       |                                                                     |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 3.6 V                                                      |
| SUPPLIER DEVICE PACKAGE          | 24-SO                                                               |
| SERIES                           | 74LVC                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                    |
| PACKAGE / CASE                   | 24-SOIC (0.209", 5.30mm Width)                                      |
| OUTPUT TYPE                      | 3-State                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                   |
| NUMBER OF ELEMENTS               | 1                                                                   |
| NUMBER OF BITS PER ELEMENT       | 10                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                       |
| LOGIC TYPE                       | Buffer, Inverting                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                          |
| INPUT TYPE                       | -                                                                   |
| DETAILED DESCRIPTION             | Buffer, Inverting 1 Element 10 Bit per Element 3-State Output 24-SO |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                          |
| BASE PART NUMBER                 | 74LVC828                                                            |
