MC33663BJEFR2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MC33663BJEFR2                                                                                                |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | TXRX DUAL LINCCELL 14SOIC                                                                                    |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 2808 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MC33663BJEFR2

|                                  |                                |
|----------------------------------|--------------------------------|
| PART NUMBER                      | MC33663BJEFR2                  |
| MANUFACTURER                     | NXP Semiconductors / Freescale |
| DESCRIPTION                      | TXRX DUAL LINCCELL 14SOIC      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| QUANTITY AVAILABLE               | 2808 pcs                       |
| DATA SHEET                       |                                |
| SERIES                           | *                              |
| OTHER NAMES                      | 935311424518                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant     |
| DETAILED DESCRIPTION             |                                |
