| DESCRIPTION                      | IC CMOS HEX GATE 4INV 16-SOIC                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| QUANTITY AVAILABLE               | 5408 pcs                                                                             |
| DATA SHEET                       |                                                                                      |
| VOLTAGE - SUPPLY                 | 3 V ~ 18 V                                                                           |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                              |
| SERIES                           | 4000B                                                                                |
| SCHMITT TRIGGER INPUT            | No                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                     |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                       |
| OUTPUT TYPE                      | Differential                                                                         |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                                        |
| NUMBER OF INPUTS                 | 8 Input (1, 1, 2, 2, 1, 1)                                                           |
| NUMBER OF CIRCUITS               | 6                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                        |
| LOGIC TYPE                       | NOR/NAND/INVERT Gate                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| DETAILED DESCRIPTION             | NOR/NAND/INVERT Gate Configurable 6 Circuit 8 Input (1, 1, 2, 2, 1, 1) Input 16-SOIC |
| CURRENT - OUTPUT HIGH, LOW       | 6.8mA, 6.8mA                                                                         |
| BASE PART NUMBER                 | 4572                                                                                 |
