|                                  |                                                        |
|----------------------------------|--------------------------------------------------------|
| PART NUMBER                      | ATS276H-PL-A                                           |
| MANUFACTURER                     | Diodes Incorporated                                    |
| DESCRIPTION                      | MAGNETIC SWITCH LATCH 4SDIP                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                             |
| QUANTITY AVAILABLE               | 7062 pcs                                               |
| DATA SHEET                       |                                                        |
| VOLTAGE - SUPPLY                 | 3.5 V ~ 20 V                                           |
| TEST CONDITION                   | 25°C                                                   |
| TECHNOLOGY                       | Hall Effect                                            |
| SUPPLIER DEVICE PACKAGE          | 4-SDIP                                                 |
| SERIES                           | -                                                      |
| SENSING RANGE                    | 5mT Trip, -5mT Release                                 |
| POLARIZATION                     | South Pole                                             |
| PACKAGING                        | Bulk                                                   |
| PACKAGE / CASE                   | 4-SIP                                                  |
| OUTPUT TYPE                      | Open Collector                                         |
| OPERATING TEMPERATURE            | -20°C ~ 85°C (TA)                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                             |
| FUNCTION                         | Latch                                                  |
| FEATURES                         | -                                                      |
| DETAILED DESCRIPTION             | Digital Switch Latch Open Collector Hall Effect 4-SDIP |
| CURRENT - SUPPLY (MAX)           | 25mA                                                   |
| CURRENT - OUTPUT (MAX)           | 400mA                                                  |
