| DESCRIPTION                      | IC RTC CLK/CALENDAR I2C 14-TSSOP                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| QUANTITY AVAILABLE               | 5800 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">X1228V14Z-2.7.pdf</a> |
| VOLTAGE - SUPPLY, BATTERY        | 1.8 V ~ 5.5 V                                                                                                         |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                                         |
| TYPE                             | Clock/Calendar                                                                                                        |
| TIME FORMAT                      | HH:MM:SS (12/24 hr)                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                                                              |
| SERIES                           | -                                                                                                                     |
| PACKAGING                        | Tube                                                                                                                  |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                         |
| MEMORY SIZE                      | -                                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                            |
| INTERFACE                        | I²C, 2-Wire Serial                                                                                                    |
| FEATURES                         | Alarm, Leap Year, Supervisor, Watchdog Timer                                                                          |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar I²C, 2-Wire Serial 14-TSSOP (0.173", 4.40mm Width)                            |
| DATE FORMAT                      | YY-MM-DD-dd                                                                                                           |
| CURRENT - TIMEKEEPING (MAX)      | 10µA ~ 20µA @ 2.7V ~ 5V                                                                                               |
| BASE PART NUMBER                 | X1228                                                                                                                 |
