E2E-C06S02-WC-B1 5M

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | E2E-C06S02-WC-B1 5M                                                                                                  |
| Manufacturer/Brand: | Omron Automation & Safety                                                                                            |
| Product description | DIA 6.5MM 2MM PW PNP NO                                                                                              |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Stock Condition     | 1000 pcs stock                                                                                                       |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

Specifications of E2E-C06S02-WC-B1 5M

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | E2E-C06S02-WC-B1 5M                                             |
| MANUFACTURER                     | Omron Automation & Safety                                       |
| DESCRIPTION                      | DIA 6.5MM 2MM PW PNP NO                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                              |
| QUANTITY AVAILABLE               | 1000 pcs                                                        |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                     |
| TERMINATION STYLE                | Cable Leads                                                     |
| SHIELDING                        | Shielded                                                        |
| SERIES                           | E2E                                                             |
| SENSOR TYPE                      | Inductive                                                       |
| SENSING DISTANCE                 | 0.079" (2mm)                                                    |
| RESPONSE FREQUENCY               | 3kHz                                                            |
| PACKAGE / CASE                   | Cylinder                                                        |
| OUTPUT TYPE                      | PNP-NO, 3-Wire                                                  |
| OTHER NAMES                      | E2E-C06S02-WC-B1 5M-ND<br>E2E-C06S02-WC-B15M<br>E2EC06S02WCB15M |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| MATERIAL - BODY                  | Stainless Steel                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                              |
| INGRESS PROTECTION               | IP67                                                            |
| INDICATOR                        | LED                                                             |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.079" (2mm) IP67 Cylinder           |
