

STMicroelectronics

L6599D

Part Number:

L6599D

Manufacturer/Brand:

STMicroelectronics

Product description

IC RESONANT CONVRTR CTRLR 16SOIC

Datasheets:

 L6599D.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

89417 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| Specifications of L6599D         |                                                                                                |

| MANUFACTURER                     | STMicroelectronics                                                                             |
| DESCRIPTION                      | IC RESONANT CONVRTR CTRLR 16SOIC                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| QUANTITY AVAILABLE               | 89417 pcs                                                                                      |
| DATA SHEET                       |  L6599D.pdf |
| VOLTAGE - SUPPLY                 | 8.85 V ~ 16 V                                                                                  |
| VOLTAGE - INPUT                  | -                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 16-SO                                                                                          |
| SERIES                           | -                                                                                              |
| PACKAGING                        | Tube                                                                                           |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                 |
| OPERATING TEMPERATURE            | 0°C ~ 105°C                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                     |
| DETAILED DESCRIPTION             | Power Supply Controller Resonant Converter Controller 16-SO                                    |
| CURRENT - SUPPLY                 | 3.5mA                                                                                          |
| BASE PART NUMBER                 | L6599                                                                                          |
| APPLICATIONS                     | Resonant Converter Controller                                                                  |
