SII Semiconductor Corporation

IC VOLT DETECTOR

 S-1011C5E-M6T1U4.pdf

 Lead free / RoHS Compliant

223177 pcs stock

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of S-1011C5E-M6T1U4

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | S-1011C5E-M6T1U4                                                                                         |
| MANUFACTURER                     | SII Semiconductor Corporation                                                                            |
| DESCRIPTION                      | IC VOLT DETECTOR                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| QUANTITY AVAILABLE               | 223177 pcs                                                                                               |
| DATA SHEET                       |  S-1011C5E-M6T1U4.pdf |
| TYPE                             | Voltage Detector                                                                                         |
| SUPPLIER DEVICE PACKAGE          | SOT-23-6                                                                                                 |
| SERIES                           | S-1011                                                                                                   |
| RESET TIMEOUT                    | -                                                                                                        |
| RESET                            | Active Low                                                                                               |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | SOT-23-6                                                                                                 |
| OUTPUT                           | Open Drain or Open Collector                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                        |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel SOT-23-6                                               |
