| QUANTITY AVAILABLE               | 26915 pcs                                                                                              |
| DATA SHEET                       |  TB67S269FTG,EL.pdf |
| VOLTAGE - SUPPLY                 | 4.75 V ~ 5.25 V                                                                                        |
| VOLTAGE - LOAD                   | 10 V ~ 47 V                                                                                            |
| TECHNOLOGY                       | Power MOSFET                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 48-WQFN (7x7)                                                                                          |
| STEP RESOLUTION                  | 1 ~ 1/32                                                                                               |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Cut Tape (CT)                                                                                          |
| PACKAGE / CASE                   | 48-WFQFN Exposed Pad                                                                                   |
| OUTPUT CONFIGURATION             | Half Bridge (4)                                                                                        |
| OTHER NAMES                      | TB67S269FTGELCT                                                                                        |
| OPERATING TEMPERATURE            | -20°C ~ 150°C (TJ)                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOTOR TYPE - STEPPER             | Bipolar                                                                                                |
| MOTOR TYPE - AC, DC              | -                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INTERFACE                        | Parallel                                                                                               |
| FUNCTION                         | Driver - Fully Integrated, Control and Power Stage                                                     |
| DETAILED DESCRIPTION             | Bipolar Motor Driver Power MOSFET Parallel 48-WQFN (7x7)                                               |
| CURRENT - OUTPUT                 | 2A                                                                                                     |
| APPLICATIONS                     | General Purpose                                                                                        |
