

ONET2501PARGT

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | ONET2501PARGT                 |
| Manufacturer/Brand: | N/A                           |
| Product description | IC OPAMP LIMITING 45KHZ 16QFN |
| Datasheets:         |                               |
| RoHS Status         | Lead free / RoHS Compliant    |
| Stock Condition     | 6839 pcs stock                |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

REQUEST FOR QUOTATION

Specifications of ONET2501PARGT

|                                   |                                                        |
|-----------------------------------|--------------------------------------------------------|
| PART NUMBER                       | ONET2501PARGT                                          |
| MANUFACTURER                      | N/A                                                    |
| DESCRIPTION                       | IC OPAMP LIMITING 45KHZ 16QFN                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                             |
| QUANTITY AVAILABLE                | 6839 pcs                                               |
| DATA SHEET                        |                                                        |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 3.6 V                                            |
| SUPPLIER DEVICE PACKAGE           | 16-QFN (3x3)                                           |
| SLEW RATE                         | -                                                      |
| SERIES                            | -                                                      |
| PACKAGING                         | Tape & Reel (TR)                                       |
| PACKAGE / CASE                    | 16-VFQFN Exposed Pad                                   |
| OUTPUT TYPE                       | Differential                                           |
| OTHER NAMES                       | 296-16974                                              |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                           |
| NUMBER OF CIRCUITS                | 1                                                      |
| MOUNTING TYPE                     | Surface Mount                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 2 (1 Year)                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                             |
| DETAILED DESCRIPTION              | Limiting Amplifier 1 Circuit Differential 16-QFN (3x3) |
| CURRENT - SUPPLY                  | 32mA                                                   |
| CURRENT - OUTPUT / CHANNEL        | 25mA                                                   |
| BASE PART NUMBER                  | ONET2501                                               |
| AMPLIFIER TYPE                    | Limiting                                               |
| -3DB BANDWIDTH                    | 45kHz                                                  |
