Specifications of E3T-FT11-M3J 0.3M

|                                  |                                                           |
|----------------------------------|-----------------------------------------------------------|
| PART NUMBER                      | E3T-FT11-M3J 0.3M                                         |
| MANUFACTURER                     | Omron Automation & Safety                                 |
| DESCRIPTION                      | COMPACT PHOTO LO 500MM DIST                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| QUANTITY AVAILABLE               | 357 pcs                                                   |
| DATA SHEET                       |                                                           |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                               |
| SERIES                           | E3T                                                       |
| SENSING METHOD                   | Through-Beam                                              |
| SENSING DISTANCE                 | 19.685" (500mm)                                           |
| RESPONSE TIME                    | 1ms                                                       |
| OUTPUT CONFIGURATION             | NPN - Open Collector/Light-ON                             |
| OTHER NAMES                      | E3T-FT11-M3J 0.3M-ND<br>E3T-FT11-M3J0.3M<br>E3TFT11M3J03M |
| OPERATING TEMPERATURE            | -25°C ~ 55°C                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                             |
| LIGHT SOURCE                     | Red (650nm)                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| INGRESS PROTECTION               | IEC IP67                                                  |
| CONNECTION METHOD                | Connector                                                 |
| ADJUSTMENT TYPE                  | -                                                         |
