NCF3340AHN/00311Y

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | NCF3340AHN/00311Y                |
| Manufacturer/Brand: | NXP Semiconductors / Freescale   |
| Product description | AUTOMOTIVE QUALIFIED NFC CONTROL |
| Datasheets:         |                                  |
| Stock Condition     | 10133 pcs stock                  |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                                              |
| DESCRIPTION                      | AUTOMOTIVE QUALIFIED NFC CONTROL                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                                                             |
| QUANTITY AVAILABLE               | 10133 pcs                                                                                                                   |
| DATA SHEET                       |                                                                                                                             |
| VOLTAGE - SUPPLY                 | 2.3 V ~ 5.5 V                                                                                                               |
| TYPE                             | RFID Reader/Transponder                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 40-HVQFN (6x6)                                                                                                              |
| STANDARDS                        | FeliCa, ISO 14443, MIFARE, NFC                                                                                              |
| SERIES                           | Automotive, AEC-Q100                                                                                                        |
| PACKAGE / CASE                   | 40-VFQFN Exposed Pad                                                                                                        |
| OTHER NAMES                      | 935343764518                                                                                                                |
| OPERATING TEMPERATURE            | -                                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                               |
| INTERFACE                        | I <sup>2</sup> C, SPI                                                                                                       |
| FREQUENCY                        | 27.12MHz                                                                                                                    |
| DETAILED DESCRIPTION             | RFID Reader/Transponder IC 27.12MHz FeliCa, ISO 14443, MIFARE, NFC I <sup>2</sup> C, SPI 2.3 V ~ 5.5 V 40-VFQFN Exposed Pad |
