

### IA30ASF15DCM1

|                     |                          |
|---------------------|--------------------------|
| Part Number:        | IA30ASF15DCM1            |
| Manufacturer/Brand: | Carlo Gavazzi            |
| Product description | SEN PROX M30 2WDC NC PLG |
| Datasheets:         |                          |
| Stock Condition     | 1353 pcs stock           |
| Ship From           | Hong Kong                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS    |

REQUEST FOR QUOTATION

#### Specifications of IA30ASF15DCM1

|                                  |                                                                                        |
|----------------------------------|----------------------------------------------------------------------------------------|
| PART NUMBER                      | IA30ASF15DCM1                                                                          |
| MANUFACTURER                     | Carlo Gavazzi                                                                          |
| DESCRIPTION                      | SEN PROX M30 2WDC NC PLG                                                               |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                        |
| QUANTITY AVAILABLE               | 1353 pcs                                                                               |
| DATA SHEET                       |                                                                                        |
| VOLTAGE - SUPPLY                 | 10 V ~ 40 V                                                                            |
| TERMINATION STYLE                | Connector                                                                              |
| SHIELDING                        | Unshielded                                                                             |
| SERIES                           | IA                                                                                     |
| SENSOR TYPE                      | Inductive                                                                              |
| SENSING DISTANCE                 | 0.59" (15mm)                                                                           |
| RESPONSE FREQUENCY               | 400Hz                                                                                  |
| PACKAGE / CASE                   | Cylinder, Threaded - M30                                                               |
| OUTPUT TYPE                      | -                                                                                      |
| OPERATING TEMPERATURE            | -25°C ~ 70°C (TA)                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                                         |
| MATERIAL - BODY                  | Nickel-Plated Brass                                                                    |
| INGRESS PROTECTION               | IP67, NEMA 1,3,4,6,13                                                                  |
| INDICATOR                        | LED                                                                                    |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.59" (15mm) IP67, NEMA 1,3,4,6,13 Cylinder, Threaded - M30 |
