### LC75810TS-8725-E

|                     |                                                                                                                        |
|---------------------|------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | LC75810TS-8725-E                                                                                                       |
| Manufacturer/Brand: | AMI Semiconductor / ON Semiconductor                                                                                   |
| Product description | IC LCD DISPLAY DRIVER                                                                                                  |
| Datasheets:         |  <a href="#">LC75810TS-8725-E.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant           |
| Stock Condition     | 3525 pcs stock                                                                                                         |
| Ship From           | Hong Kong                                                                                                              |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                  |

REQUEST FOR QUOTATION

#### Specifications of LC75810TS-8725-E

|                                  |                                                                                                                          |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | LC75810TS-8725-E                                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                                     |
| DESCRIPTION                      | IC LCD DISPLAY DRIVER                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| QUANTITY AVAILABLE               | 3525 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">LC75810TS-8725-E.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 6 V                                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 100-QFP (14x20)                                                                                                          |
| SERIES                           | -                                                                                                                        |
| PACKAGING                        | Tray                                                                                                                     |
| PACKAGE / CASE                   | 100-BQFP                                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| INTERFACE                        | Serial                                                                                                                   |
| DISPLAY TYPE                     | LCD                                                                                                                      |
| DIGITS OR CHARACTERS             | 13 Digits, 15 Digits, 16 Digits                                                                                          |
| CURRENT - SUPPLY                 | 700μA                                                                                                                    |
| CONFIGURATION                    | Dot Matrix                                                                                                               |
