Specifications of S-812C59AY-Z2-U

|                                  |                                                                                                                         |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | S-812C59AY-Z2-U                                                                                                         |
| MANUFACTURER                     | SII Semiconductor Corporation                                                                                           |
| DESCRIPTION                      | IC REG LINEAR 5.9V 75MA TO92-3                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 296691 pcs                                                                                                              |
| DATA SHEET                       |  <a href="#">S-812C59AY-Z2-U.pdf</a> |
| VOLTAGE DROPOUT (MAX)            | 0.23V @ 100mA                                                                                                           |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 5.9V                                                                                                                    |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                                       |
| VOLTAGE - INPUT (MAX)            | 16V                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | TO-92-3                                                                                                                 |
| SERIES                           | S-812C                                                                                                                  |
| PROTECTION FEATURES              | -                                                                                                                       |
| PACKAGING                        | Tape & Box (TB)                                                                                                         |
| PACKAGE / CASE                   | TO-226-3, TO-92-3 (TO-226AA) (Formed Leads)                                                                             |
| PSRR                             | -                                                                                                                       |
| OUTPUT TYPE                      | Fixed                                                                                                                   |
| OUTPUT CONFIGURATION             | Positive                                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                       |
| NUMBER OF REGULATORS             | 1                                                                                                                       |
| MOUNTING TYPE                    | Through Hole                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 5.9V 75mA TO-92-3                                                   |
| CURRENT - SUPPLY (MAX)           | 2.5µA                                                                                                                   |
| CURRENT - QUIESCENT (IQ)         | 500nA                                                                                                                   |
| CURRENT - OUTPUT                 | 75mA                                                                                                                    |
| CONTROL FEATURES                 | -                                                                                                                       |
