|---------------------|--------------------------------------------------------------------------|
| Part Number:        | MAX9320EUA+T                                                             |
| Manufacturer/Brand: | Maxim Integrated                                                         |
| Product description | IC CLK BUFFER 2:2 3GHZ 8UMAX                                             |
| Datasheets:         | <a href="#">1.MAX9320EUA+T.pdf</a><br><a href="#">2.MAX9320EUA+T.pdf</a> |
| RoHs Status         | Lead free / RoHS Compliant                                               |
| Stock Condition     | 19845 pcs stock                                                          |
| Ship From           | Hong Kong                                                                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                    |

| VOLTAGE - SUPPLY                 | 2.25 V ~ 3.8 V                                                                        |
| TYPE                             | Fanout Buffer (Distribution)                                                          |
| SUPPLIER DEVICE PACKAGE          | 8-uMAX                                                                                |
| SERIES                           | -                                                                                     |
| RATIO - INPUT:OUTPUT             | 2:2                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                      |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                |
| OUTPUT                           | LVECL, LVPECL                                                                         |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                          |
| NUMBER OF CIRCUITS               | 1                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                            |
| INPUT                            | HSTL, LVECL, LVPECL                                                                   |
| FREQUENCY - MAX                  | 3GHz                                                                                  |
| DIFFERENTIAL - INPUT:OUTPUT      | Yes/Yes                                                                               |
| DETAILED DESCRIPTION             | Clock Fanout Buffer (Distribution) IC 2:2 3GHz 8-TSSOP, 8-MSOP (0.118", 3.00mm Width) |
