

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:

P5P2304AF-1H08SR

Manufacturer/Brand:

AMI Semiconductor / ON Semiconductor

Product description

IC BUFFER ZERO DELAY 3.3V 8-SOIC

Datasheets:

 P5P2304AF-1H08SR.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

6783 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

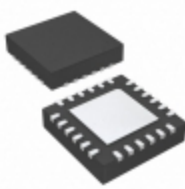

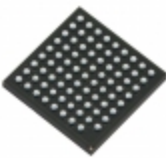

Specifications of P5P2304AF-1H08SR

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|

| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                     |
| DESCRIPTION                      | IC BUFFER ZERO DELAY 3.3V 8-SOIC                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| QUANTITY AVAILABLE               | 6783 pcs                                                                                                 |
| DATA SHEET                       |  P5P2304AF-1H08SR.pdf |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                   |
| SERIES                           | -                                                                                                        |
| RATIO - INPUT:OUTPUT             | 1:4                                                                                                      |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                            |
| PLL                              | Yes                                                                                                      |
| OUTPUT                           | Clock                                                                                                    |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                               |
| NUMBER OF CIRCUITS               | 1                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| INPUT                            | Clock                                                                                                    |
| FREQUENCY - MAX                  | 133MHz                                                                                                   |
| DIVIDER/MULTIPLIER               | No/No                                                                                                    |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                    |
