AT25160B-XHLHX-T

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | AT25160B-XHLHX-T                                                                                             |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC EEPROM 16K SPI 20MHZ 8TSSOP                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6799 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of AT25160B-XHLHX-T

|                                |                                                  |
|--------------------------------|--------------------------------------------------|
| PART NUMBER                    | AT25160B-XHLHX-T                                 |
| MANUFACTURER                   | Micrel / Microchip Technology                    |
| DESCRIPTION                    | IC EEPROM 16K SPI 20MHZ 8TSSOP                   |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                       |
| QUANTITY AVAILABLE             | 6799 pcs                                         |
| DATA SHEET                     |                                                  |
| WRITE CYCLE TIME - WORD, PAGE  | 5ms                                              |
| VOLTAGE - SUPPLY               | 1.8 V ~ 5.5 V                                    |
| TECHNOLOGY                     | EEPROM                                           |
| SUPPLIER DEVICE PACKAGE        | 8-TSSOP                                          |
| SERIES                         | -                                                |
| PACKAGING                      | Tape & Reel (TR)                                 |
| PACKAGE / CASE                 | 8-TSSOP (0.173", 4.40mm Width)                   |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TA)                                |
| MOUNTING TYPE                  | Surface Mount                                    |
| MEMORY TYPE                    | Non-Volatile                                     |
| MEMORY SIZE                    | 16Kb (2K x 8)                                    |
| MEMORY INTERFACE               | SPI                                              |
| MEMORY FORMAT                  | EEPROM                                           |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                       |
| DETAILED DESCRIPTION           | EEPROM Memory IC 16Kb (2K x 8) SPI 20MHz 8-TSSOP |
| CLOCK FREQUENCY                | 20MHz                                            |
