

SSI Technologies, Inc.

Part Number: P51-300-S-N-MD-4.5V

Manufacturer/Brand: SSI Technologies, Inc.

Product description: SENSOR 300PSI 1.2-20 UNF-2A 4.5V

Datasheets:  P51-300-S-N-MD-4.5V.pdf

RoHs Status: Lead free / Vendor undefined

Stock Condition: 4975 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of P51-300-S-N-MD-4.5V

|                                  |                                                                                                             |

| DATA SHEET                       |  P51-300-S-N-MD-4.5V.pdf |
| VOLTAGE - SUPPLY                 | 5V                                                                                                          |
| TERMINATION STYLE                | MD, 4 Pin                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                           |
| SERIES                           | MediaSensor™                                                                                                |
| PRESSURE TYPE                    | Sealed Gauge                                                                                                |
| PORT STYLE                       | Threaded                                                                                                    |
| PORT SIZE                        | -                                                                                                           |
| PACKAGE / CASE                   | Cylinder                                                                                                    |
| OUTPUT TYPE                      | Analog Voltage                                                                                              |
| OUTPUT                           | 0.5 V ~ 4.5 V                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                               |
| OPERATING PRESSURE               | 300 PSI (2068.43 kPa)                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                               |
| MAXIMUM PRESSURE                 | -                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / Vendor undefined                                                                                |
| FEATURES                         | Amplified Output, Temperature Compensated                                                                   |
| DETAILED DESCRIPTION             | Pressure Sensor 300 PSI (2068.43 kPa) Sealed Gauge 0.5 V ~ 4.5 V Cylinder                                   |
| ACCURACY                         | ±0.5%                                                                                                       |
