

The image shows the Diodes Incorporated logo on the left, which includes the word "DIODES" in a stylized blue font and "PERICOM" in a smaller blue font. To the right of the logo is a white rectangular box containing the text "Diodes Incorporated" in a black serif font. Below the logo and box are two 3D renderings of a black, square, surface-mount diode component. The component has four pins extending from one side, and the renderings show it from slightly different angles to highlight its three-dimensional shape.
