| MANUFACTURER                     | N/A                                                              |
| DESCRIPTION                      | IC ADC 16BIT 250KSPS 6CH 64-TQFP                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| QUANTITY AVAILABLE               | 3670 pcs                                                         |
| DATA SHEET                       |                                                                  |
| VOLTAGE - SUPPLY, DIGITAL        | 5V                                                               |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                               |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP (10x10)                                                  |
| SERIES                           | -                                                                |
| SAMPLING RATE (PER SECOND)       | 250k                                                             |
| REFERENCE TYPE                   | External, Internal                                               |
| RATIO - S/H:ADC                  | 1:1                                                              |
| PACKAGING                        | Tray                                                             |
| PACKAGE / CASE                   | 64-TQFP                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                     |
| NUMBER OF INPUTS                 | 6                                                                |
| NUMBER OF BITS                   | 16                                                               |
| NUMBER OF A/D CONVERTERS         | 6                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                       |
| INPUT TYPE                       | Differential                                                     |
| FEATURES                         | Selectable Address, Simultaneous Sampling                        |
| DETAILED DESCRIPTION             | 16 Bit Analog to Digital Converter 6 Input 6 SAR 64-TQFP (10x10) |
| DATA INTERFACE                   | Parallel                                                         |
| CONFIGURATION                    | S/H-ADC                                                          |
| BASE PART NUMBER                 | ADS8365                                                          |
| ARCHITECTURE                     | SAR                                                              |
