| DESCRIPTION                      | IC REG LIN 1.8V/2.8V 150MA SNT6A                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| QUANTITY AVAILABLE               | 211204 pcs                                                                                                |
| DATA SHEET                       |  S-1711C2818-I6T1U.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.39V @ 150mA, 0.35V @ 150mA                                                                              |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.8V, 2.8V                                                                                                |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                         |
| VOLTAGE - INPUT (MAX)            | 6.5V                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | SNT-6A                                                                                                    |
| SERIES                           | S-1711                                                                                                    |
| PROTECTION FEATURES              | Over Current                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 6-SMD, Flat Leads                                                                                         |
| PSRR                             | 70dB (1kHz)                                                                                               |
| OUTPUT TYPE                      | Fixed                                                                                                     |
| OUTPUT CONFIGURATION             | Positive                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                         |
| NUMBER OF REGULATORS             | 2                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 2 Output 1.8V, 2.8V 150mA SNT-6A                               |
| CURRENT - SUPPLY (MAX)           | 90µA                                                                                                      |
| CURRENT - QUIESCENT (IQ)         | 1µA                                                                                                       |
| CURRENT - OUTPUT                 | 150mA                                                                                                     |
| CONTROL FEATURES                 | Enable                                                                                                    |
