

LMR934F-GE2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LMR934F-GE2                                                                                                  |
| Manufacturer/Brand: | LAPIS Semiconductor                                                                                          |
| Product description | IC OPAMP I/O FULL SWING 14SOP                                                                                |
| Datasheets:         |  1.LMR934F-GE2.pdf          |
|                     |  2.LMR934F-GE2.pdf          |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 60014 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of LMR934F-GE2

|                                   |                                                                                                       |

| DESCRIPTION                       | IC OPAMP I/O FULL SWING 14SOP                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE                | 60014 pcs                                                                                             |
| DATA SHEET                        |  1.LMR934F-GE2.pdf |
|                                   |  2.LMR934F-GE2.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.8 V ~ 5 V                                                                                           |
| VOLTAGE - INPUT OFFSET            | 1mV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 14-SOP                                                                                                |
| SLEW RATE                         | 0.35 V/μs                                                                                             |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Cut Tape (CT)                                                                                         |
| PACKAGE / CASE                    | 14-SOIC (0.173", 4.40mm Width)                                                                        |
| OUTPUT TYPE                       | -                                                                                                     |
| OTHER NAMES                       | LMR934F-GE2CT                                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                          |
| NUMBER OF CIRCUITS                | 4                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| GAIN BANDWIDTH PRODUCT            | 1.4MHz                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit 14-SOP                                                            |
| CURRENT - SUPPLY                  | 280μA                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 9mA                                                                                                   |
| CURRENT - INPUT BIAS              | 5nA                                                                                                   |
| AMPLIFIER TYPE                    | General Purpose                                                                                       |
