ATA5811C-PLQW-1

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | ATA5811C-PLQW-1                                                                                              |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC TXRX ASK/FSK 433/868MHZ 48QFN                                                                             |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3533 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of ATA5811C-PLQW-1

|                                  |                                  |
|----------------------------------|----------------------------------|
| PART NUMBER                      | ATA5811C-PLQW-1                  |
| MANUFACTURER                     | Micrel / Microchip Technology    |
| DESCRIPTION                      | IC TXRX ASK/FSK 433/868MHZ 48QFN |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant       |
| QUANTITY AVAILABLE               | 3533 pcs                         |
| DATA SHEET                       |                                  |
| VOLTAGE - SUPPLY                 | -                                |
| TYPE                             | TxRx Only                        |
| SERIES                           | -                                |
| SERIAL INTERFACES                | -                                |
| SENSITIVITY                      | -                                |
| RF FAMILY/STANDARD               | General ISM < 1GHz               |
| PROTOCOL                         | -                                |
| POWER - OUTPUT                   | -                                |
| PACKAGE / CASE                   | 48-VFQFN Exposed Pad             |
| OPERATING TEMPERATURE            | -                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                    |
| MODULATION                       | ASK, FSK                         |
| MEMORY SIZE                      | -                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant       |
| FREQUENCY                        | 433.868MHz                       |
| DETAILED DESCRIPTION             | IC RF TxRx Only General ISM      |
| DATA RATE (MAX)                  | -                                |
| CURRENT - TRANSMITTING           | -                                |
| CURRENT - RECEIVING              | -                                |
