

Part Number:UA18CAD22NKM1TI

Manufacturer/Brand:Carlo Gavazzi

Product description:UPROX DR TI M18 0-10V+NPN PLG

Datasheets:

Stock Condition:295 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of UA18CAD22NKM1TI

|                                  |                                                                                             |

| DESCRIPTION                      | UPROX DR TI M18 0-10V+NPN PLG                                                               |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                             |
| QUANTITY AVAILABLE               | 295 pcs                                                                                     |
| DATA SHEET                       |                                                                                             |
| VOLTAGE - SUPPLY                 | 15 V ~ 30 V                                                                                 |
| TERMINATION STYLE                | Connector                                                                                   |
| SHIELDING                        | Unshielded                                                                                  |
| SERIES                           | UA18                                                                                        |
| SENSOR TYPE                      | Ultrasonic                                                                                  |
| SENSING DISTANCE                 | 7.874" ~ 86.614" (200mm ~ 2200mm)                                                           |
| RESPONSE FREQUENCY               | 1Hz                                                                                         |
| PACKAGE / CASE                   | Cylinder, Threaded - M18                                                                    |
| OUTPUT TYPE                      | Analog Voltage, NPN                                                                         |
| OPERATING TEMPERATURE            | -20°C ~ 60°C                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                                              |
| MATERIAL - BODY                  | Polybutylene Terephthalate (PBT)                                                            |
| INGRESS PROTECTION               | IP67                                                                                        |
| INDICATOR                        | LED                                                                                         |
| DETAILED DESCRIPTION             | Ultrasonic Proximity Sensor 7.874" ~ 86.614" (200mm ~ 2200mm) IP67 Cylinder, Threaded - M18 |
