| WASHABLE                         | Yes                                                                 |
| VOLTAGE RATING                   | 24VDC                                                               |
| TERMINATION STYLE                | Gull Wing                                                           |
| SERIES                           | GDB                                                                 |
| PITCH                            | 0.100" (2.54mm), Full                                               |
| PACKAGING                        | Bulk                                                                |
| OTHER NAMES                      | 1437590-5                                                           |
| OPERATING TEMPERATURE            | -30°C ~ 85°C                                                        |
| NUMBER OF POSITIONS              | 6                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                       |
| MECHANICAL LIFE                  | 1,000 Cycles                                                        |
| LENGTH                           | 0.638" (16.21mm)                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                  |
| HEIGHT ABOVE BOARD               | 0.209" (5.30mm)                                                     |
| FEATURES                         | Tape Seal                                                           |
| ELECTRICAL LIFE                  | 1,000 Cycles                                                        |
| DETAILED DESCRIPTION             | Dip Switch SPST 6 Position Surface Mount Rocker Actuator 25mA 24VDC |
| CURRENT RATING                   | 25mA                                                                |
| CONTACT MATERIAL                 | Copper Alloy                                                        |
| CONTACT FINISH                   | Gold                                                                |
| CIRCUIT                          | SPST                                                                |
| BODY MATERIAL                    | Polyphenylene Sulfide (PPS)                                         |
| ACTUATOR TYPE                    | Rocker                                                              |
| ACTUATOR LEVEL                   | Flush, Recessed                                                     |
