

Omron Automation & Safety

EE-SPX613 5M

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | EE-SPX613 5M                    |
| Manufacturer/Brand: | Omron Automation & Safety       |
| Product description | EE-SPX613 WITH 5M CABLE         |
| Datasheets:         |                                 |
| RoHs Status         | Not applicable / Not applicable |
| Stock Condition     | 564 pcs stock                   |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

Specifications of EE-SPX613 5M

|                                  |                                                                                                                                |

| DESCRIPTION                      | EE-SPX613 WITH 5M CABLE                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Not applicable / Not applicable                                                                                                |
| QUANTITY AVAILABLE               | 564 pcs                                                                                                                        |
| DATA SHEET                       |                                                                                                                                |
| TYPE                             | Amplifier                                                                                                                      |
| SERIES                           | -                                                                                                                              |
| SENSING METHOD                   | Transmissive                                                                                                                   |
| SENSING DISTANCE                 | 0.236" ~ 0.512" (6mm ~ 13mm) ADJ                                                                                               |
| RESPONSE TIME                    | -                                                                                                                              |
| PACKAGING                        | Bulk                                                                                                                           |
| PACKAGE / CASE                   | Module, Wire Leads, Slot Type                                                                                                  |
| OUTPUT CONFIGURATION             | NPN - Dark-ON/Light-ON - Selectable                                                                                            |
| OTHER NAMES                      | EE-SPX613 5M-ND<br>EESPX6135M<br>Z8146                                                                                         |
| OPERATING TEMPERATURE            | -10°C ~ 55°C                                                                                                                   |
| MOUNTING TYPE                    | Chassis Mount                                                                                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Not applicable / Not applicable                                                                                                |
| DETAILED DESCRIPTION             | Optical Sensor Transmissive 0.236" ~ 0.512" (6mm ~ 13mm) ADJ NPN - Dark-ON/Light-ON - Selectable Module, Wire Leads, Slot Type |
