| QUANTITY AVAILABLE                | 7031 pcs                                                                                             |
| DATA SHEET                        |  EL5611IRE-T7.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 4.5 V ~ 16.5 V, ±2.25 V ~ 8.25 V                                                                     |
| VOLTAGE - INPUT OFFSET            | 3mV                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 24-HTSSOP                                                                                            |
| SLEW RATE                         | 75 V/μs                                                                                              |
| SERIES                            | -                                                                                                    |
| PACKAGING                         | Tape & Reel (TR)                                                                                     |
| PACKAGE / CASE                    | 24-TSSOP (0.173", 4.40mm Width) Exposed Pad                                                          |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                         |
| NUMBER OF CIRCUITS                | 6                                                                                                    |
| MOUNTING TYPE                     | Surface Mount                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 4 (72 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Contains lead / RoHS non-compliant                                                                   |
| GAIN BANDWIDTH PRODUCT            | 32MHz                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 6 Circuit Rail-to-Rail 24-HTSSOP                                           |
| CURRENT - SUPPLY                  | 2.5mA                                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 65mA                                                                                                 |
| CURRENT - INPUT BIAS              | 2nA                                                                                                  |
| BASE PART NUMBER                  | EL5611                                                                                               |
| AMPLIFIER TYPE                    | General Purpose                                                                                      |
| -3DB BANDWIDTH                    | 60MHz                                                                                                |
