#### Specifications of ADM1272-1ACPZ-RL

|                                  |                                                                                                                          |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | ADM1272-1ACPZ-RL                                                                                                         |
| MANUFACTURER                     | ADI (Analog Devices, Inc.)                                                                                               |
| DESCRIPTION                      | IC HOT SWAP CTRL PMBUS 48LFCSP                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| QUANTITY AVAILABLE               | 7979 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">ADM1272-1ACPZ-RL.pdf</a> |
| VOLTAGE - SUPPLY                 | 16 V ~ 80 V                                                                                                              |
| TYPE                             | Hot Swap Controller, Monitor                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 48-LFCSP (8x7)                                                                                                           |
| SERIES                           | -                                                                                                                        |
| PROGRAMMABLE FEATURES            | Current Limit, Slew Rate, Thermal Limit                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | 48-WFQFN Exposed Pad, CSP                                                                                                |
| OTHER NAMES                      | ADM1272-1ACPZ-RL -ND                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                            |
| NUMBER OF CHANNELS               | 1                                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| INTERNAL SWITCH(S)               | No                                                                                                                       |
| FEATURES                         | PMBus                                                                                                                    |
| FEATURE PINS                     | -                                                                                                                        |
| DETAILED DESCRIPTION             | Hot Swap Controller, Monitor 1 Channel General Purpose 48-LFCSP (8x7)                                                    |
| CURRENT - SUPPLY                 | 6mA                                                                                                                      |
| CURRENT - OUTPUT (MAX)           | -                                                                                                                        |
