| QUANTITY AVAILABLE                | 18002 pcs                                                                                          |
| DATA SHEET                        |  AD8642ARMZ.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 26 V, ±2.5 V ~ 13 V                                                                          |
| VOLTAGE - INPUT OFFSET            | 70µV                                                                                               |
| SUPPLIER DEVICE PACKAGE           | 8-MSOP                                                                                             |
| SLEW RATE                         | 3 V/µs                                                                                             |
| SERIES                            | -                                                                                                  |
| PACKAGING                         | Tube                                                                                               |
| PACKAGE / CASE                    | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)                                                             |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                      |
| NUMBER OF CIRCUITS                | 2                                                                                                  |
| MOUNTING TYPE                     | Surface Mount                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                         |
| GAIN BANDWIDTH PRODUCT            | 3.5MHz                                                                                             |
| DETAILED DESCRIPTION              | J-FET Amplifier 2 Circuit Rail-to-Rail 8-MSOP                                                      |
| CURRENT - SUPPLY                  | 200µA                                                                                              |
| CURRENT - OUTPUT / CHANNEL        | 12mA                                                                                               |
| CURRENT - INPUT BIAS              | 0.25pA                                                                                             |
