| DESCRIPTION                      | IC REG LINEAR 3.3V 250MA 8QFN                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE               | 238775 pcs                                                                                            |
| DATA SHEET                       |                                                                                                       |
| VOLTAGE DROPOUT (MAX)            | 0.15V @ 250mA                                                                                         |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                                                  |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                     |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 8-QFN (2x2)                                                                                           |
| SERIES                           | -                                                                                                     |
| PROTECTION FEATURES              | Over Current, Over Temperature, Under Voltage Lockout (UVLO)                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 8-TFDFN Exposed Pad                                                                                   |
| PSRR                             | 65dB ~ 33dB (100Hz ~ 1MHz)                                                                            |
| OUTPUT TYPE                      | Fixed                                                                                                 |
| OUTPUT CONFIGURATION             | Positive                                                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                         |
| NUMBER OF REGULATORS             | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed or Adjustable 1 Output 3.3V, 0.8 V ~ 5 V 250mA 8-QFN (2x2) |
| CURRENT - SUPPLY (MAX)           | 330μA                                                                                                 |
| CURRENT - QUIESCENT (IQ)         | 250μA                                                                                                 |
| CURRENT - OUTPUT                 | 250mA                                                                                                 |
| CONTROL FEATURES                 | Enable                                                                                                |
