GX-8MLUB

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | GX-8MLUB                      |
| Manufacturer/Brand: | Panasonic                     |
| Product description | SENSOR PROX 3.2MM NC 12-24VDC |
| Datasheets:         | GX-8MLUB.pdf                  |
| RoHs Status         | Lead free / RoHS Compliant    |
| Stock Condition     | 1593 pcs stock                |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

|----------------------------------|------------------------------------------------------------------------|
| PART NUMBER                      | GX-8MLUB                                                               |
| MANUFACTURER                     | Panasonic                                                              |
| DESCRIPTION                      | SENSOR PROX 3.2MM NC 12-24VDC                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| QUANTITY AVAILABLE               | 1593 pcs                                                               |
| DATA SHEET                       | GX-8MLUB.pdf                                                           |
| VOLTAGE - SUPPLY                 | 12 V ~ 24 V                                                            |
| TERMINATION STYLE                | Cable Leads                                                            |
| SHIELDING                        | Unshielded                                                             |
| SERIES                           | GX                                                                     |
| SENSOR TYPE                      | Inductive                                                              |
| SENSING DISTANCE                 | 0.126" (3.2mm)                                                         |
| RESPONSE FREQUENCY               | 1kHz                                                                   |
| PACKAGE / CASE                   | Cylinder, Threaded - M8                                                |
| OUTPUT TYPE                      | NPN-NC, 3-Wire                                                         |
| OTHER NAMES                      | 1110-1069                                                              |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MATERIAL - BODY                  | Stainless Steel                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| INGRESS PROTECTION               | IP67                                                                   |
| INDICATOR                        | LED                                                                    |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.126" (3.2mm) IP67 Cylinder, Threaded - M8 |
