| DESCRIPTION                      | IC DUAL BINARY UP COUNTER 16-DIP                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| QUANTITY AVAILABLE               | 181120 pcs                                                           |
| DATA SHEET                       |                                                                      |
| VOLTAGE - SUPPLY                 | 3V ~ 18V                                                             |
| TRIGGER TYPE                     | Positive, Negative                                                   |
| TIMING                           | Synchronous                                                          |
| SUPPLIER DEVICE PACKAGE          | 16-PDIP                                                              |
| SERIES                           | 4000B                                                                |
| RESET                            | Asynchronous                                                         |
| PACKAGING                        | Tube                                                                 |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                              |
| OTHER NAMES                      | 296-2077-5                                                           |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                        |
| NUMBER OF ELEMENTS               | 2                                                                    |
| NUMBER OF BITS PER ELEMENT       | 4                                                                    |
| MOUNTING TYPE                    | Through Hole                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                        |
| LOGIC TYPE                       | Binary Counter                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                           |
| DIRECTION                        | Up                                                                   |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 2 Element 4 Bit Positive, Negative 16-PDIP |
| COUNT RATE                       | 8MHz                                                                 |
| BASE PART NUMBER                 | 4520                                                                 |
