|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | UPD78F0536AGB-GAH-AX                                                                                         |
| Manufacturer/Brand: | Renesas Electronics America                                                                                  |
| Product description | IC MCU 8BIT 96KB FLASH 64LQFP                                                                                |
| Datasheets:         |  UPD78F0536AGB-GAH-AX.pdf   |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4673 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

#### Specifications of UPD78F0536AGB-GAH-AX

|                                  |                                                                                                              |
|----------------------------------|--------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | UPD78F0536AGB-GAH-AX                                                                                         |
| MANUFACTURER                     | Renesas Electronics America                                                                                  |
| DESCRIPTION                      | IC MCU 8BIT 96KB FLASH 64LQFP                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                   |
| QUANTITY AVAILABLE               | 4673 pcs                                                                                                     |
| DATA SHEET                       |  UPD78F0536AGB-GAH-AX.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.8 V ~ 5.5 V                                                                                                |
| SPEED                            | 20MHz                                                                                                        |
| SERIES                           | 78K0/Kx2                                                                                                     |
| RAM SIZE                         | 5K x 8                                                                                                       |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                        |
| PROGRAM MEMORY SIZE              | 96KB (96K x 8)                                                                                               |
| PERIPHERALS                      | LVD, POR, PWM, WDT                                                                                           |
| PACKAGING                        | Tray                                                                                                         |
| PACKAGE / CASE                   | 64-LQFP                                                                                                      |
| OSCILLATOR TYPE                  | Internal                                                                                                     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                            |
| NUMBER OF I/O                    | 55                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                   |
| EEPROM SIZE                      | -                                                                                                            |
| DETAILED DESCRIPTION             | 78K/0 78K0/Kx2 Microcontroller IC 8-Bit 20MHz 96KB (96K x 8) FLASH                                           |
| DATA CONVERTERS                  | A/D 8x10b                                                                                                    |
| CORE SIZE                        | 8-Bit                                                                                                        |
| CORE PROCESSOR                   | 78K/0                                                                                                        |
| CONNECTIVITY                     | 3-Wire SIO, I²C, LINbus, UART/USART                                                                          |
