| DATA SHEET                       |  LB11967V-TLM-E.pdf |
| VOLTAGE - SUPPLY                 | 6 V ~ 16 V                                                                                             |
| VOLTAGE - LOAD                   | -                                                                                                      |
| TECHNOLOGY                       | -                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 20-SSOP                                                                                                |
| STEP RESOLUTION                  | -                                                                                                      |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Cut Tape (CT)                                                                                          |
| PACKAGE / CASE                   | 20-LSSOP (0.173", 4.40mm Width)                                                                        |
| OUTPUT CONFIGURATION             | Pre-Driver - Half Bridge (2)                                                                           |
| OTHER NAMES                      | LB11967V-TLM-EOSCT                                                                                     |
| OPERATING TEMPERATURE            | -30°C ~ 95°C (TA)                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOTOR TYPE - STEPPER             | -                                                                                                      |
| MOTOR TYPE - AC, DC              | Brushless DC (BLDC)                                                                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INTERFACE                        | PWM                                                                                                    |
| FUNCTION                         | Controller - Speed                                                                                     |
| DETAILED DESCRIPTION             | Motor Driver PWM 20-SSOP                                                                               |
| CURRENT - OUTPUT                 | -                                                                                                      |
| APPLICATIONS                     | Fan Controller                                                                                         |
