

NXP Semiconductors / Freescale

SC16C654DBIB64,157

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | SC16C654DBIB64,157                                                                                           |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC QUAD UART 64BYTE 64LQFP                                                                                   |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6907 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of SC16C654DBIB64,157

|                                  |                                                     |
|----------------------------------|-----------------------------------------------------|
| PART NUMBER                      | SC16C654DBIB64,157                                  |
| MANUFACTURER                     | NXP Semiconductors / Freescale                      |
| DESCRIPTION                      | IC QUAD UART 64BYTE 64LQFP                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| QUANTITY AVAILABLE               | 6907 pcs                                            |
| DATA SHEET                       |                                                     |
| WITH MODEM CONTROL               | Yes                                                 |
| WITH IRDA ENCODER/DECODER        | Yes                                                 |
| WITH FALSE START BIT DETECTION   | Yes                                                 |
| WITH AUTO FLOW CONTROL           | Yes                                                 |
| VOLTAGE - SUPPLY                 | 2.5V, 3.3V, 5V                                      |
| SUPPLIER DEVICE PACKAGE          | 64-LQFP (10x10)                                     |
| SERIES                           | -                                                   |
| PROTOCOL                         | -                                                   |
| PACKAGING                        | Tray                                                |
| PACKAGE / CASE                   | 64-LQFP                                             |
| OTHER NAMES                      | 935276671157<br>SC16C654DBIB64<br>SC16C654DBIB64-ND |
| NUMBER OF CHANNELS               | 4, QUART                                            |
| MOUNTING TYPE                    | Surface Mount                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| FEATURES                         | -                                                   |
| FIFO'S                           | 64 Byte                                             |
| DATA RATE (MAX)                  | 5Mbps                                               |
| BASE PART NUMBER                 | SC16C654                                            |
