ON

AMI Semiconductor / ON

Semiconductor

H11L2300W

Part Number: H11L2300W

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: OPTOCOUPLER VDE WIDE SCHM TRIG 6DIP

Datasheets:  H11L2300W.pdf

RoHS Status:  Contains lead / RoHS non-compliant

Stock Condition: 5228 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of H11L2300W

|                                      |                                                                                                                   |

| QUANTITY AVAILABLE                   | 5228 pcs                                                                                                          |
| DATA SHEET                           |  <a href="#">H11L2300W.pdf</a> |
| VOLTAGE - SUPPLY                     | -                                                                                                                 |
| VOLTAGE - ISOLATION                  | 5300Vrms                                                                                                          |
| VOLTAGE - FORWARD (VF) (TYP)         | -                                                                                                                 |
| SUPPLIER DEVICE PACKAGE              | 6-DIP                                                                                                             |
| SERIES                               | -                                                                                                                 |
| RISE / FALL TIME (TYP)               | -                                                                                                                 |
| PROPAGATION DELAY TPLH / TPHL (MAX)  | -                                                                                                                 |
| PACKAGING                            | Tube                                                                                                              |
| PACKAGE / CASE                       | 6-DIP (0.400", 10.16mm)                                                                                           |
| OUTPUT TYPE                          | Open Collector                                                                                                    |
| OPERATING TEMPERATURE                | -                                                                                                                 |
| NUMBER OF CHANNELS                   | 1                                                                                                                 |
| MOUNTING TYPE                        | Through Hole                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)     | 1 (Unlimited)                                                                                                     |
| LEAD FREE STATUS / ROHS STATUS       | Contains lead / RoHS non-compliant                                                                                |
| INPUTS - SIDE 1/SIDE 2               | 1/0                                                                                                               |
| INPUT TYPE                           | DC                                                                                                                |
| DETAILED DESCRIPTION                 | Logic Output Optoisolator 1MHz Open Collector 5300Vrms 1 Channel CMTI 6-DIP                                       |
| DATA RATE                            | 1MHz                                                                                                              |
| CURRENT - OUTPUT / CHANNEL           | 50mA                                                                                                              |
| CURRENT - DC FORWARD (IF) (MAX)      | 10mA                                                                                                              |
| COMMON MODE TRANSIENT IMMUNITY (MIN) | -                                                                                                                 |
