| QUANTITY AVAILABLE                | 3126 pcs                                                                                              |
| DATA SHEET                        |  EL9214IREZ-T7.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 5 V ~ 13.5 V, ±2.5 V ~ 6.75 V                                                                         |
| VOLTAGE - INPUT OFFSET            | 1mV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 14-HTSSOP                                                                                             |
| SLEW RATE                         | 115 V/μs                                                                                              |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                    | 14-TSSOP (0.173", 4.40mm Width) Exposed Pad                                                           |
| OUTPUT TYPE                       | -                                                                                                     |
| OTHER NAMES                       | EL9214IREZ-T7TR                                                                                       |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                          |
| NUMBER OF CIRCUITS                | 4                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| GAIN BANDWIDTH PRODUCT            | 63MHz                                                                                                 |
| DETAILED DESCRIPTION              | Voltage Feedback Amplifier 4 Circuit 14-HTSSOP                                                        |
| CURRENT - SUPPLY                  | 8.8mA                                                                                                 |
| CURRENT - OUTPUT / CHANNEL        | 300mA                                                                                                 |
| CURRENT - INPUT BIAS              | 1.4μA                                                                                                 |
| BASE PART NUMBER                  | EL9214                                                                                                |
| AMPLIFIER TYPE                    | Voltage Feedback                                                                                      |
| -3DB BANDWIDTH                    | 130MHz                                                                                                |
