|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | MT29RZ2B1DZZHGWD-18I.83G        |
| Manufacturer/Brand: | Micron Technology               |
| Product description | IC FLASH RAM 2G PARALLEL 533MHZ |
| Datasheets:         |                                 |
| Stock Condition     | 13339 pcs stock                 |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

Specifications of MT29RZ2B1DZZHGWD-18I.83G

|                                |                                                                                                   |
|--------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                    | MT29RZ2B1DZZHGWD-18I.83G                                                                          |
| MANUFACTURER                   | Micron Technology                                                                                 |
| DESCRIPTION                    | IC FLASH RAM 2G PARALLEL 533MHZ                                                                   |
| LEAD FREE STATUS / ROHS STATUS |                                                                                                   |
| QUANTITY AVAILABLE             | 13339 pcs                                                                                         |
| DATA SHEET                     |                                                                                                   |
| WRITE CYCLE TIME - WORD, PAGE  | -                                                                                                 |
| VOLTAGE - SUPPLY               | 1.8V                                                                                              |
| TECHNOLOGY                     | FLASH - NAND, DRAM - LPDDR2                                                                       |
| SERIES                         | -                                                                                                 |
| OPERATING TEMPERATURE          | -40°C ~ 85°C (TA)                                                                                 |
| MEMORY TYPE                    | Non-Volatile                                                                                      |
| MEMORY SIZE                    | 2Gb (256M x 8)(NAND), 1G (32M x 32)(LPDDR2)                                                       |
| MEMORY INTERFACE               | Parallel                                                                                          |
| MEMORY FORMAT                  | FLASH, RAM                                                                                        |
| DETAILED DESCRIPTION           | FLASH - NAND, DRAM - LPDDR2 Memory IC 2Gb (256M x 8)(NAND), 1G (32M x 32)(LPDDR2) Parallel 533MHz |
| CLOCK FREQUENCY                | 533MHz                                                                                            |
