# 74LVC1G97FW4-7

Part Number:

74I VC1G97FW4-7

Manufacturer/Brand:

Diodes Incorporated

### Product description

IC CONFIG MULTI-FUNC GATE

Datasheets:

 74LVC1G97FW4-7.pdf

RoHS Status

✓ Lead free / RoHS Compliant

### Stock Condition

1155722 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

## REQUEST FOR QUOTATION

## Specifications of 74I VC1G97FW4-7

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | 74LVC1G97FW4-7                                                                                                         |
| MANUFACTURER                     | Diodes Incorporated                                                                                                    |
| DESCRIPTION                      | IC CONFIG MULTI-FUNC GATE                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 1155722 pcs                                                                                                            |
| DATA SHEET                       |  <a href="#">74LVC1G97FW4-7.pdf</a> |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 5.5 V                                                                                                         |
| SUPPLIER DEVICE PACKAGE          | X2-DFN1010-6                                                                                                           |
| SERIES                           | 74LVC                                                                                                                  |
| SCHMITT TRIGGER INPUT            | No                                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 6-XFDFN                                                                                                                |
| OUTPUT TYPE                      | Single-Ended                                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                          |
| NUMBER OF INPUTS                 | 3                                                                                                                      |
| NUMBER OF CIRCUITS               | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LOGIC TYPE                       | Configurable Multiple Function                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DETAILED DESCRIPTION             | Configurable Multiple Function Configurable 1 Circuit 3 Input X2-DFN1010-6                                             |
| CURRENT - OUTPUT HIGH, LOW       | 32mA, 32mA                                                                                                             |
